## MATTERS TO BE ACTED UPON AT THE MEETING

### 1. Presentation of Financial Statements

The audited consolidated financial statements of the Corporation for the year ended December 31, 2020, together with the auditors' report thereon and the related management's discussion and analysis ("**MD&A**"), will be presented to the Shareholders at the Meeting or any adjournment(s) or postponement(s) thereof for their consideration.

### 2. Election of Directors

The articles of the Corporation (the "**Articles**") provide that the board of directors of the Corporation (the "**Board**") shall consist of a minimum of one director and a maximum of 10 directors. The Corporation currently has six directors, all of which will be standing for re-election at the Meeting or any adjournment(s) or postponement(s) thereof. The term of each of the Corporation's present directors expires at the close of the Meeting and unless the director's office is vacated earlier in accordance with the provisions of the *Business Corporations Act (Ontario)* ("**OBCA**") or removed in accordance with the by-laws of the Corporation, each director elected at the Meeting or any adjournment(s) or postponement(s) thereof will hold office until the conclusion of the next annual meeting of the Shareholders. Where directors fail to be elected at any such meeting of Shareholders, the incumbent directors shall continue in office until their successors are elected. The number of directors to be elected at any such meeting shall be the greater of the number (or the minimum number, as the case may be) of directors provided for in the Articles and the number of directors then in office unless the directors or the Shareholders otherwise determine.

Other than pursuant to a nomination rights and voting agreement (the "**Nomination Rights Agreement**") between 2437653 Ontario Inc. ("**Nominating Shareholder 1**"), Johnathan Vrozos ("**Nominating Shareholder 2**") and the Corporation dated December 20, 2019, none of the proposed nominees for election as a director of the Corporation are proposed for election pursuant to any arrangement or understanding between a proposed nominee and any other person. Pursuant to the terms of the Nomination Rights Agreement, as of the Record Date: (i) Nominating Shareholder 1 is allowed to nominate two nominees for election as director, and (ii) Nominating Shareholder 2 is allowed to nominate one nominee for election as director, to the Board at the Meeting or any adjournment(s) or postponement(s) thereof. G. Edmund King and Lu Cacioppo are Nominating Shareholder 1's director nominees. Jason Alexander is Nominating Shareholder 2's director nominee. Pursuant to the Nomination Rights Agreement, Nominating Shareholder 1 is also permitted to appoint one of its director nominees as the Chair of each committee of the Board.

The Corporation's by-laws provide for advance notice of nominations of directors (the "**Advance Notice Requirement**"). Among other things, the Advance Notice Requirement fixes a deadline by which Shareholders must submit a notice of director nominations to the Corporation prior to any annual or special meeting of Shareholders where directors are to be elected, sets forth the information that a Shareholder must include in the notice to the Corporation for the notice to be valid and establishes additional eligibility requirements for nominated candidates. No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the provisions of the Advance Notice Requirement.

In the case of an annual meeting of Shareholders, notice to the Chief Executive Officer of the Corporation must be given not less than 30 nor more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is called for a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the 10<sup>th</sup> day following such public announcement. In the case of a special meeting of shareholders

(which is not also an annual meeting), notice to the Corporation must be given not later than the 15<sup>th</sup> day following the day on which the first public announcement of the date of the special meeting was made. The Board may, in its sole discretion, waive any requirement of the Advance Notice Requirement.

The purpose of the Advance Notice Requirement is to facilitate an orderly and efficient annual and special meeting process, to ensure all Shareholders receive adequate notice of director nominations and sufficient information with respect to all nominees, to allow the Corporation and the Shareholders to evaluate nominee's qualifications and suitability as a director of the Corporation and to allow Shareholders to cast an informed vote.

A copy of the Corporation's by-laws is available under its profile on SEDAR at [www.sedar.com](http://www.sedar.com).

## **STATEMENT OF EXECUTIVE COMPENSATION**

### **Compensation Discussion and Analysis**

The purpose of the Compensation Discussion and Analysis section of this Information Circular is to provide information about the Corporation's executive compensation philosophy, objectives, and processes and to discuss compensation decisions relating to the Corporation's Named Executive Officers (as defined below).

#### ***How the Corporation Determines Compensation***

The Compensation Committee is responsible for reviewing, establishing and overseeing the compensation policies of the Corporation and compensation of the NEOs (as defined below). Based on the recommendations of the Compensation Committee, the Board, as a whole, is responsible for determining the compensation paid to the executive officers and directors of the Corporation.

#### ***Objectives of the Compensation Program***

The Corporation's executive compensation program has been designed to motivate, reward, attract and retain high caliber management deemed essential to ensure the Corporation's success. The program seeks to align executive compensation with the Corporation's short-term and long-term business objectives, business strategy and financial performance. The Corporation's compensation program is designed to achieve the following objectives:

- provide competitive compensation opportunities in order to attract and retain talented, high caliber executive officers, whose expertise, skills and performance are critical to the Corporation's success;
- motivate these executive officers to achieve the Corporation's strategic vision and business objectives;
- align the interests of the executive officers with those of the Shareholders and other stakeholders by tying a meaningful portion of compensation directly to the overall growth of the Corporation's business; and
- provide incentives that encourage appropriate levels of risk-taking by the executive team.

The Corporation aims to design executive compensation packages that are comparable to those for executives with similar talents, qualifications and responsibilities at companies with similar financial and operating characteristics. However, executive compensation is not evaluated against a formal "peer group".

### ***Executive Compensation Components***

The Corporation's executive compensation program is comprised of fixed and variable components. The variable components include equity and non-equity elements. Each compensation component has a different function, but all elements are designed to work in concert to maximize the Corporation and individual performance and provide financial incentives to senior executives based on the level of achievement of specific operational and financial objectives. The compensation of the NEOs includes: base salary; bonuses; long-term equity incentives, consisting of Awards (as defined below) granted under the Omnibus Incentive Plan and any other equity plan that may be approved by the Board; limited perquisites; and customary benefit programs. These principal elements of compensation are described in more detail below.

#### ***Base Salary***

Base salaries for executive officers are established based on the scope of their responsibilities and their prior relevant experience, taking into account compensation paid by other companies in the industry for similar positions and the overall market demand for such executives at the time of hire. The Corporation does not actively benchmark its compensation to other companies, but has reviewed the public disclosure available for other comparable cannabis companies to assist in determining the competitiveness of base salary (as well as bonuses, benefits and stock options) paid to the executive officers of the Corporation. An executive officer's base salary is determined by reviewing the executive officer's other compensation to ensure that the executive officer's total compensation is in line with the Corporation's overall compensation philosophy.

Base salaries are reviewed annually and increased for merit reasons, based on the executive's success in meeting or exceeding individual objectives and/or for market competitiveness. Additionally, base salaries can be adjusted as warranted throughout the year to reflect promotions or other changes in the scope or breadth of an executive's role or responsibilities, as well as for market competitiveness.

#### ***Bonus Plans***

The Corporation's compensation program includes eligibility for annual incentive cash bonuses. Factors considered in determining bonus amounts include individual performance, financial criteria (such as share price performance) and operational criteria (such as the attainment of corporate milestones).

#### ***Omnibus Incentive Plan***

The Corporation maintains the Omnibus Incentive Plan for directors, officers, employees and consultants of the Corporation. The purpose of the Omnibus Incentive Plan is to add incentive and to provide consideration for effective services of full and part-time employees, full and part-time officers and directors of the Corporation, and persons performing special technical or other services to the Corporation. The number of Awards and the terms and conditions thereof are determined by the Board at the time of the grant, subject to the defined parameters of the Omnibus Incentive Plan. The Board also consider previous grants of Awards and the overall number of Awards that are outstanding relative to the number of

outstanding securities in determining whether to make any new grants of Awards and the size and terms of any such grants.

The Omnibus Incentive Plan is administered by the Board. Participation is limited to directors, full and part-time officers, full and part-time employees and consultants providing services to the Corporation.

For a summary of the Omnibus Incentive Plan, see "*Securities Authorized for Issuance under Equity Compensation Plans*".

#### *Perquisites and Other Benefits*

Certain of the Corporation's executive officers are provided perquisites to aid in the performance of their respective duties and to provide compensation competitive with executives with similar positions and levels of responsibilities. Perquisites generally include reimbursement of automobile expenses, monthly personal cell phone allowances, technology allowances and/or payment of professional development fees. Such perquisites are not a significant element of the compensation of executive officers.

#### *Health and Insurance Benefits*

Each of the Corporation's executive officers is eligible to participate in the Corporation's health and insurance plans on the same terms and conditions as provided to all other eligible employees. Such benefits include: medical and dental benefits; long-term disability insurance; and life insurance and accidental death and disability coverage. The Corporation believes that the benefits described are necessary and appropriate to provide a competitive compensation package to its executive officers.

### **Compensation Governance**

The Compensation Committee is charged with, among other things, a periodic review of directors' and officers' compensation having regard to the Corporation's peers, various governance reports on current trends in directors' compensation and independently compiled compensation data for directors and officers of reporting issuers of comparable size to the Corporation.

#### ***Compensation Committee***

The Compensation Committee is currently comprised of Gail Paech (Chair), G. Edmund King and Lu Cacioppo. All of the members of the Compensation Committee are considered to be independent, in accordance with applicable securities legislation. The skills and experience that enable the members of the Compensation Committee to make decisions on the suitability of the Corporation's compensation policies and practices are summarized above in the Section entitled "*Matters to be Acted Upon at the Meeting – Election of Directors*".

#### ***Compensation Committee Mandate***

The overall purpose of the Compensation Committee is set out in the Compensation Committee's mandate (the "**Compensation Committee Mandate**"). Under the Compensation Committee Mandate, the Compensation Committee is responsible for, among other things: (a) in consultation with senior management, establishing the Corporation's general compensation philosophy, and overseeing the development and implementation of compensation programs; (b) reviewing and approving the compensation of the Chief Executive Officer; (c) in consultation with the Chief Executive Officer, reviewing

compensation programs applicable to the senior management of the Corporation; (d) making recommendations to the Board with respect to the Corporation's incentive compensation plans and equity-based plans, the activities of the individuals and committees responsible for administering these plans, and discharging any responsibilities imposed on the Compensation Committee by any of these plans; and (e) annually reviewing directors' compensation and recommending any changes to the Board for consideration.

### Description of Stock Option Plan

The following is a summary of certain provisions of the Omnibus Incentive Plan. This summary is intended as a summary only and is qualified in its entirety by reference to the Omnibus Incentive Plan which is attached as Schedule "B" to this Information Circular.

#### *Summary of Material Terms*

The Omnibus Incentive Plan, in respect of options to purchase Common Shares, serves as the successor to the Corporation's previous stock option plan adopted on September 30, 2014 (the "**Previous Stock Option Plan**"), and no further options to purchase Common Shares have been or will be granted under the Previous Stock Option Plan from and after the effective date of the Omnibus Incentive Plan.

The purposes of the Omnibus Incentive Plan is to: (i) provide the Corporation with a mechanism to attract, retain and motivate highly qualified directors, officers, employees and consultants; (ii) align the interests of eligible participants in the Omnibus Incentive Plan ("**Participants**") with that of other Shareholders of the Corporation generally; and (iii) enable and encourage Participants to participate in the long-term growth of the Corporation through the acquisition of Common Shares as long-term investments.

The Omnibus Incentive Plan is administered by the Board and provides that the Board may, from time to time, in its discretion, and in accordance with TSXV requirements or any other stock exchange on which the Common Shares are listed (the "**Exchange**"), grant to eligible Participants, non-transferable awards (the "**Awards**"). Such Awards include stock options ("**Options**"), restricted share units ("**RSUs**"), deferred share units ("**DSUs**") and performance share units ("**PSUs**").

Under the Omnibus Incentive Plan, the maximum number of Common Shares issuable from treasury pursuant to Awards shall not exceed 10% of the total outstanding Common Shares from time to time less the number of Common Shares issuable pursuant to all other security-based compensation arrangements of the Corporation. For greater certainty, the aggregate number of Common Shares available for issuance pursuant to settlement of Options shall not exceed 10% of the Corporation's outstanding share capital.

The Omnibus Incentive Plan with respect to the Options is a "rolling plan" and as a result, any and all increases in the number of issued and outstanding Shares will result in an increase to the space available under the plan. Common Shares in respect of which Options have not been exercised and are no longer subject to being purchased pursuant to the terms of any Options shall be available for further Options under the Omnibus Incentive Plan.

For so long as the Corporation is listed on the TSXV or on another exchange that requires the Corporation to fix the number of Common Shares to be issued in settlement of Awards that are not Options, the maximum number of Common Shares available for issuance pursuant to the settlement of RSUs, DSUs and PSUs together shall be an aggregate of 11,415,702 Common Shares.

The maximum number of Common Shares for which Awards may be issued to any one Participant in any 12-month period shall not exceed 5% of the outstanding Common Shares, unless the Corporation obtains disinterested shareholder approval as required by the policies of the Exchange. The aggregate number of Common Shares for which Awards may be issued to any one consultant within any 12-month period shall not exceed 2% of the outstanding Common Shares, calculated on the date an Award is granted to the consultant. The aggregate number of Common Shares for which Options may be issued to any persons retained to provide Investor Relations Activities (as defined by the Exchange) within any 12-month period shall not exceed 2% of the outstanding Shares, calculated on the date an Option is granted to such persons.

Further, unless disinterested shareholder approval as required by the policies of the Exchange is obtained: (i) the maximum number of Common Shares for which Awards may be issued to insiders of the Corporation (as a group) at any point in time shall not exceed 10% of the outstanding Common Shares; and (ii) the aggregate number of Awards granted to insiders of the Corporation (as a group), within any 12-month period, shall not exceed 10% of the outstanding Common Shares, calculated at the date an Award is granted to any insider.

The Omnibus Incentive Plan provides for customary adjustments or substitutions, as applicable, in the number of Common Shares that may be issued under the Omnibus Incentive Plan in the event of a merger, arrangement, amalgamation, consolidation, reorganization, recapitalization, separation, stock dividend, extraordinary dividend, stock split, reverse stock split, split up, spin-off or other distribution of stock or property of the Corporation, combination of securities, exchange of securities, dividend in kind, or other like change in capital structure or distribution (other than normal cash dividends) to shareholders of the Corporation, or any similar corporate event or transaction.

In the event of an actual or potential Change of Control (as is defined in the Omnibus Incentive Plan) of the Corporation, the Board shall have discretion as to the treatment of Awards, including whether to (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any Awards; (ii) permit the conditional redemption or exercise of any Awards, on such terms as it sees fit; (iii) otherwise amend or modify the terms of any Awards; and (iv) terminate, following the successful completion of a Change of Control, on such terms as it sees fit, the Awards not exercised prior to the successful completion of such Change of Control. If there is a Change of Control, any Awards held by a Participant shall automatically vest following such Change of Control, if the Participant is an employee, officer or a director and their employment, or officer or director position is terminated within 12 months following the Change of Control, provided that no acceleration of Awards shall occur in the case of a Participant that was retained to provide Investor Relations Activities unless the approval of the Exchange is either obtained or not required.

### *Options*

Subject to the terms and conditions of the Omnibus Incentive Plan, the Board may grant Options to Participants in such amounts and upon such terms (including the exercise price, duration of the Options, the number of Common Shares to which the Option pertains, and the conditions, if any, upon which an Option shall become vested and exercisable) as the Board shall determine.

The exercise price of the Options will be determined by the Board at the time any Option is granted. In no event will such exercise price be lower than the last closing price of the Common Shares on the Exchange less any discount permitted by the rules or policies of the Exchange at the time the Option is granted. Such price upon exercise of any Option shall be payable to the Corporation in full in cash, by certified cheque or by wire transfer.

Unless otherwise specified in an Award agreement granting Options, Options shall vest subject to Exchange policies, and the Board may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

Subject to any requirements of the Exchange, the Board may determine the expiry date of each Option. - 3.2 Authority of the Committee. The Committee shall have full and exclusive discretionary power to determine the terms and provisions of Award Agreements, to interpret the terms and the intent of the Plan and any Award Agreement or other agreement ancillary to or in connection with the Plan, to determine eligibility for Awards, and to adopt such rules, regulations and guidelines for administering the Plan as the Committee may deem necessary or proper. Such authority shall include, but not be limited to, selecting Award recipients, establishing all Award terms and conditions, including grant, exercise price, issue price and vesting terms, determining any performance goals applicable to Awards and whether such performance goals have been achieved, and, subject to Article 13, adopting modifications and amendments to the Plan or any Award Agreement, including, without limitation, any that are necessary or appropriate to comply with the laws or compensation practices of the jurisdictions in which the Company and its Affiliates operate.
- 3.3 Delegation. The Committee may delegate to one or more of its members any of the Committee's administrative duties or powers as it may deem advisable; provided, however, that any such delegation must be permitted under applicable corporate law.

#### **ARTICLE IV SHARES SUBJECT TO THE PLAN AND MAXIMUM AWARDS**

- 4.1 Maximum Number of Shares Available for Awards. The maximum number of Shares available for issuance pursuant to the exercise or redemption, as applicable, of Awards granted under the Plan will be 10% of the total outstanding Shares from time to time less the number of Shares issuable pursuant to all other security-based compensation arrangements of the Company (the "**Reserve**"). For greater certainty, the aggregate number of Shares available for issuance pursuant to settlement of Options shall not exceed 10% of the Company's outstanding Share capital. Shares in respect of which Options have not been exercised and are no longer subject to being purchased pursuant to the terms of any Options shall be available for further Options under the Plan. The Plan with respect to the Options is a "rolling plan" and as a result, any and all increases in the number of issued and outstanding Shares will result in an increase to the Reserve.
- 4.2 Maximum Number of Shares Available for the Settlement of Share Units. For so long as the Corporation is listed on the TSX Venture Exchange or on another exchange that requires the Corporation to fix the number of Shares to be issued in settlement of Share Units, the maximum number of Shares available for issuance pursuant to the settlement of Share Units shall be 11,415,702 Shares. For greater certainty, the aggregate number of Shares available for issuance pursuant to settlement of Share Units shall not exceed the lesser of (i) 10% of the Company's outstanding Share capital less the number of Options outstanding; and (ii) 11,415,702 less the number of Share Units redeemed for Shares.
- 4.3 Award Grants to Individuals. The aggregate number of Shares for which Awards may be issued to any one Participant in any 12-month period shall not exceed 5% of the outstanding Shares, calculated on the date an Award is granted to the Participant, unless the Company obtains disinterested shareholder approval as required by the policies of the Exchange. The aggregate number of Shares for which Awards may be issued to any one Consultant (as defined by the Exchange) within any 12-month period shall not exceed 2% of the outstanding Shares, calculated on the date an Award is granted to the Consultant. The aggregate number of Shares for which Options may be issued to any Persons retained to provide Investor Relations Activities (as defined by the Exchange) within any 12-month period shall not exceed 2% of the outstanding Shares, calculated on the date an Option is granted to such Persons.

- 4.4 Award Grants to Insiders. Unless disinterested shareholder approval as required by the policies of the Exchange is obtained: (i) the maximum number of Shares for which Awards may be issued to Insiders (as a group) at any point in time shall not exceed 10% of the outstanding Shares; and (ii) the aggregate number of Awards granted to Insiders (as a group), within any 12-month period, shall not exceed 10% of the outstanding Shares, calculated at the date an Award is granted to any Insider.
- 4.5 Adjustments in Authorized Shares. In the event of any corporate event or transaction (collectively, a "**Corporate Reorganization**") (including, but not limited to, a change in the Shares of the Company or the capitalization of the Company) such as a merger, arrangement, amalgamation, consolidation, reorganization, recapitalization, separation, stock dividend, extraordinary dividend, stock split, reverse stock split, split up, spin-off or other distribution of stock or property of the Company, combination of securities, exchange of securities, dividend in kind, or other like change in capital structure or distribution (other than normal cash dividends) to shareholders of the Company, or any similar corporate event or transaction, the Committee shall make or provide for such adjustments or substitutions, as applicable, in the number and kind of Shares that may be issued under the Plan, the number and kind of Shares subject to outstanding Awards, the Option Price, grant price or exercise price applicable to outstanding Awards, the limit on issuing Awards other than Options granted with an Option Price equal to at least the FMV of a Share on the date of grant and any other value determinations applicable to outstanding Awards or to the Plan, as are equitably necessary to prevent dilution or enlargement of Participants' rights under the Plan that otherwise would result from such corporate event or transaction. In connection with a Corporate Reorganization, the Committee shall have the discretion to permit a holder of Options to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan and the applicable Award Agreement) and the holder will then accept on the exercise of such Option, in lieu of the Shares that such holder would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that such holder would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, that holder had owned all Shares that were subject to the Option. Such adjustments shall be made automatically, without the necessity of Committee action, on the customary arithmetical basis in the case of any stock split, including a stock split effected by means of a stock dividend, and in the case of any other dividend paid in Shares.

The Committee shall also make appropriate adjustments in the terms of any Awards under the Plan as are equitably necessary to reflect such Corporate Reorganization and may modify any other terms of outstanding Awards, including modifications of performance criteria and changes in the length of Performance Periods. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under the Plan, provided that any such adjustments must comply with all regulatory requirements.

Subject to the provisions of Article 11 and any applicable law or regulatory requirement, without affecting the number of Shares reserved or available hereunder, the Committee may authorize the issuance, assumption, substitution or conversion of Awards under the Plan in connection with any Corporate Reorganization, upon such terms and conditions as it may deem appropriate. Additionally, the Committee may amend the Plan, or adopt supplements to the Plan, in such manner as it deems appropriate to provide for such issuance, assumption, substitution or conversion as provided in the previous sentence.

## ARTICLE V ELIGIBILITY AND PARTICIPATION

- 5.1 Eligibility. Awards under the Plan shall be granted only to bona fide Employees, Non-Employee Directors and Consultants, as per the policies of the Exchange.
- 5.2 Actual Participation. Subject to the provisions of the Plan, the Committee may, from time to time, in its sole discretion select from among eligible Employees, Non-Employee Directors and Consultants, those to whom Awards shall be granted under the Plan, and shall determine in its discretion the nature, terms, conditions and amount of each Award.

Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains, the conditions, if any, upon which an Option shall become vested and exercisable, and any such other provisions as the Committee shall determine. The Award Agreement for the grant of Options shall be in such form or forms as the Committee may from time to time approve.
- 6.3 Option Price. The Option Price for each grant of an Option under the Plan shall be determined by the Committee and shall be specified in the Award Agreement. The Option Price for an Option shall be not less than the FMV of the Shares on the date of grant.
- 6.4 Vesting of Options. Unless otherwise specified in an Award Agreement, and subject to any provisions of the Plan or the applicable Award Agreement relating to acceleration of vesting of Options, Options shall vest subject to Exchange Policies, and the Committee may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.
- 6.5 Duration of Options. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided, however, that, subject to section 6.6, no Option shall be exercisable later than the tenth (10) anniversary date of its grant.
- 6.6 Blackout Periods. If the date on which an Option is scheduled to expire occurs during, or within 10 business days after the last day of a Black Out Period applicable to such Participant, then the expiry date for such Option shall be extended to the last day of such 10 business day period.
- 6.7 Exercise of Options. Options granted under this Article 6 shall be exercisable at such times and on the occurrence of such events, and be subject to such restrictions and conditions, as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant.
- 6.8 Payment. Options granted under this Article 6 shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment of the Option Price.

The Option Price upon exercise of any Option shall be payable to the Company in full in cash, certified cheque or wire transfer.

As soon as practicable after receipt of a notification of exercise and full payment of the Option Price, the Shares in respect of which the Option has been exercised shall be issued as fully-paid and non-assessable common shares of the Company. As of the business day the Company receives such notice and such payment, the Participant (or the person claiming through a Participant, as the case may be) shall be entitled to be entered on the share register of the Company as the holder of the number of Shares in respect of which the Option was exercised and to receive as promptly as possible thereafter, but in any event, on or before the 15th day of the third month of the year following the year in which the Option was exercised, a certificate or evidence of book entry representing the said number of Shares. The Company shall cause to be delivered to or to the direction of the Participant Share certificates or evidence of book entry Shares in an appropriate amount based upon the number of Shares purchased under the Option(s).

Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of applicable Canadian and U.S. securities law, including, without limitation, the 1933 Act, the United States Securities and Exchange Act of 1934, as amended, applicable U.S. state laws, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or consolidated stock price reporting system on which prices for the Shares are quoted at any given time. As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by law.

Neither an Award nor any benefits arising under the Plan shall constitute part of an employment or service contract with the Company or an Affiliate of the Company, and, accordingly, subject to the terms of the Plan, the Plan may be terminated or modified at any time in the sole and exclusive discretion of the Committee or the Board without giving rise to liability on the part of the Company or its Affiliates for severance payments or otherwise, except as provided in the Plan.

For purposes of the Plan, unless otherwise provided by the Committee, a transfer of employment of a Participant between the Company and an Affiliate or among Affiliates of the Company, shall not be deemed a termination of employment. The Committee may provide for Participants to satisfy withholding requirements by having the Company withhold and sell Shares or the Participant making such other arrangements, including the sale of Shares, in either case on such conditions as the Committee specifies.
- 14.2 Acknowledgement. Participant acknowledges and agrees that the ultimate liability for all taxes legally payable by Participant is and remains Participant's responsibility and may exceed the amount actually withheld by the Company. Participant further acknowledges that the Company: (a) makes no representations or undertakings regarding the treatment of any taxes in connection with any aspect of the Plan; and (b) does not commit to and is under no obligation to structure the terms of the Plan to reduce or eliminate Participant's liability for taxes or achieve any particular tax result. Nothing in the Plan shall be construed to limit the right of the Company or an Affiliate of the Company to establish other compensation or benefit plans, programs, policies or arrangements. - 16.6 No Constraint on Corporate Action. Nothing in the Plan shall be construed (i) to limit, impair or otherwise affect the Company's or its Affiliates' right or power to make adjustments, reclassifications, reorganizations or changes in its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell or transfer all or any part of its business or assets, or (ii) to limit the right or power of the Company or its Affiliates to take any action which such entity deems to be necessary or appropriate.
